THE **FLEX ACADEMIES** DIFFERENCE

- Safety first -- instructors and vendors are screened for appropriate insurance and criminal background checks
- Wide variety of fun and educational after school activities for your kids, all located at your school
- 60-minute classes taught by the best local curriculum providers who are experts in their field
- Quick and easy online registration process that accepts most credit cards
- On-site coordinator to ensure that children get from their classroom to their activity, and that the entire program runs smoothly
- Children can be social and active after school, and get to spend more time with their friends
