President:

Amount to be gifted to SFES has been a discussion all year by the PTA Board.

Board has proposed 30% of Wims ending balance.

— SFES in a potentially better position than Wims was at opening — Wims PTA needs to be in good standing after losing kids and volunteers — Question about makeup of new school. Explained that students going to new school didn't all raise that money. Some are in middle school and 5th grade isn't moving. So 50% is not warranted.

— Everyone gets a vote.

Betsy Liu motions to gift 30% of ending Wims pta balance.

Denise James made a motion to amend and changed the amount to 50%.

Su mentions question about perception to community. Want to leave the Wims community in good standing and not split the community in perception of who has more.

LaNita McWilliams makes Motion to amend amount to 40% of Wims ending balance. Hyun Park seconds.

Vote of 13 yes, 5 no. Majority rules Wins will gift 40% of ending balance to SFES. Meeting ended 8:34pm.
